PIC 3

Add a marker – you must select a playing partner by searching for their Surname or Golf ID. [see PIC 2]

Enter scores hole by hole: Tap “+” to show par, then plus or minus to adjust

Pick up on a hole – press the 3 dots ... next to +, then select pick up

Compare score with partner to ensure accuracy at end of round

Select Finish Round, add Confirm Score [See PIC 3]

Add attester/marker from the playing partners added at start, sign off on the screen, then confirm and submit score.
